Open to work	TYPE	WHERE	START
	Full-time or contract	Bangalore, abroad, remote · Mumbai (contract only)	Within a month

Service and experience (UI/UX) designer and researcher with 6+ years turning complex, multi-stakeholder systems into dev-ready products. Works end to end, from research to design-system UI, and has led small teams through delivery. Uses AI daily to learn new domains fast, synthesise research and prototype, while owning the design decisions.

EXPERIENCE

Senior Experience Designer, Accenture Song

Sep 2024 - Aug 2026 · 2 years

Client projects · Bangalore (hybrid)

Clearstream
Financial services
Mar - Jul 2026 · 5 months

UX research and UI/UX for a post-settlement B2B portal used by 2,500+ institutions in 110 countries. Interviews traced daily support calls to login and certificate issues; a VIMM-based heuristic evaluation helped the client prioritise a full redesign. Redesigned login, credentials and user management on a legacy codebase, with dev and business buy-in; ships from Jan 2027.

BMW
Automotive
Sep 2025 - Jan 2026 · 5 months

UI/UX and flows for Retail Delivery Reporting (RDR), now live for 650+ BMW North America dealers. Built 2 client POCs, including an AI-assisted workflow in Figma Make.

Virgin Money UK
Banking
May - Aug 2025 · 4 months

Sole service designer on identity and verification (ID&V), working with 2 support designers. Research with 6-7 SMEs, complaints and competitor analysis, and 4 workshops shaped cross-channel blueprints and a prioritised roadmap, now rolling out to 6.6M customers.

BPCL
Energy
Dec 2024 - Apr 2025 · 5 months

Led service design and UI/UX, managing 2-4 designers, to digitise piped-gas services (B2C and B2B) for 170,000+ households in Tier 2 and 3 Indian cities. Delivered blueprints, flows and 900+ dev-ready screens for 6 personas. Managed the design team's daily priorities and blockers, cutting each person's calls by over an hour a day.

BMW M Motorsport
Automotive
Oct 2024 · 1 month

Co-facilitated 4-5 workshops and interviews for a North America B2B parts-portal migration; epics and user stories for 4 personas set the plan for moving the portal from an agency to BMW's in-house designers.

Studio initiative
AI × Service design

Co-mentored 6-7 designers to build an internal service design × AI agent.

Independent Consultant

Jan - Aug 2024 · 8 months

Mumbai (hybrid)

Glory Salon
Beauty and wellness
Apr - Aug 2024 · 5 months

Research with the owner, staff and clients shaped a growth strategy and an end-to-end rebrand; the owner has since opened a premium salon in a more upmarket area.

Ecole
Design education
Aug 2024 · Bangalore

Visiting faculty; taught a digital culture module to Year 2 design students.

Senior Design Analyst, Accenture

May 2021 - Jul 2022 · 1 year 3 months

Mumbai & Bangalore (onsite and remote)

ADNOC
Energy, Enterprise

Research, benchmarking, IA and wireframes for a redesigned intranet landing page for

	ADNOC's IT employees; praised by the client and taken into build.
Roche Diagnostics Healthcare	Sole UI/UX designer on a Salesforce Lightning sales tool for ordering diagnostic equipment, used in 100+ countries; owned key design decisions through build.

UX Design Analyst, Accenture

Jul 2019 - Apr 2021 · 1 year 10 months

Mumbai & Bangalore (onsite and remote)

myConcerto Builder Internal enterprise tool	Research-led UI/UX for a "Canva for sales teams", cutting pitch-microsite builds from 4 days to 1.
Mondezvous Accenture studio initiative 2019 - 2022	Started a weekly studio forum for 300+ designers that ran every Monday for 3 years, helping colleagues discover each other's strengths and work.

EDUCATION

MDes Service Design

2022 - 2023

The Glasgow School of Art, UK · Innovation School Postgraduate Scholarship

Thesis, The Food We Waste: a hypothetical community-fridge service for surplus household food, aligned with Scotland's 2025 food-waste goals; a Scottish government lead confirmed they had reached the same solution.

BA (Hons) Communication Design

2015 - 2019

Pearl Academy, Mumbai · Interactive and Digital · Interaction Design major

Academic Excellence Award, 2016 and 2019
